## CODE-A-DRONE WORKSHOP AT THE FORUM LIBRARY

Dear Parent/Carer

I am pleased to inform you that your child is invited to take part in a Code-A-Drone workshop on Wednesday 14<sup>th</sup> February at the Forum library.

During the workshop the participants will be split in pairs and each pair will be provided with an iPad to write their code and a mini-drone to attempt different challenges. The students will learn how to code a mini-drone to take off, fly, turn, do stunts and land safely. They will then be given a range of challenges that put these new skills to the test. No previous coding or drone flying experience is necessary.

We will leave school at 12.30 pm and walk to the Forum library. The workshop will start at 1 pm and finish at 3 pm and **the students will be dismissed from the Forum library.**

**The students should bring a packed lunch on the day.** If your child is on free school meals, a packed lunch will be provided for him/her.

If you are happy for your child to take part in the Code-A-Drone workshop at the Forum library, please sign and return the permission slip by Friday 2<sup>nd</sup> February.

Yours sincerely

Mrs I Savova  
Librarian and Learning Resource Centre Coordinator
