

# Subject: Additional Science

Head of Faculty: Mr. McMahon

# GCSE

Exam Board:

OCR (21<sup>st</sup> Century)

## Assessment

B456 Biology exam = 25%  
C456 Chemistry exam = 25%  
P456 Physics exam = 25%  
Practical Investigation coursework = 25%

## Course Description

GCSE Additional Science uses different contexts to relate science concepts to their applications. Focusing on scientific explanations and models, it gives students an insight into how scientists help develop our understanding of ourselves and the world we live in. GCSE Additional Science provides distinctive and relevant experience for learners who wish to progress to Level 3 qualifications.

## Subject Teachers

Mr Stephen McMahon - Head of Science and STEM  
Co-ordinator  
Mr Daniel Spencer - Second in Science  
Miss Anita Keegan  
Miss Tabassam Majeed  
Miss Maria Towli  
Mr Nick White  
Mrs Nuala Wilson

## Higher Education Courses/Careers

Sixth Form: GCE A Level Biology  
GCE A Level Chemistry  
GCE A Level Physics

There are hundreds of science based degrees that can be studied at university including Medicine, Engineering and Computing.

The science sector is one of the largest and most important in the UK. There are more than 900,000 workers in the UK science industry, according to the 2011 Cogent Annual Report.
