

Saint Paul's Catholic High School

June 2017

Key Stage 3 Art and Design Strategy

Dear Parent/Carer

As part of our strategy to support all of our students to achieve the very best grades we are continuing a comprehensive intervention programme.

At St. Paul's we expect all pupils to achieve at least a minimum of their target grade or better.

As a result of this, at times your child will be supported further by their class teacher identifying key areas they can develop to aid their progress.

Art Club sessions run weekly (subject to availability). Please see the timetable below.

Day	Time	Teacher
Tuesday	Lunch	R Coyle (Room 104)
Wednesday	Lunch	L Stevenson (Room 110)

Homework tasks are essential for your child to demonstrate the ability to work independently and develop further the skills covered in class. Our homework tasks are designed to help your child practice and develop these skills further with opportunities for more able students to aim higher and try new media. This allows your child to exercise their creativity and independence so they are confident and consistent. We would appreciate your support ensuring your child completes all homework tasks to the best of their ability.

Show my homework has now been launched with appropriate examples and internet links to allow your child to access the relevant resources. You are also able to see which homework tasks have been completed.

If you would like to discuss this matter further please contact me. There are a number of strategies provided by the Art department to help your child reach their full potential.

Yours sincerely

Miss R Coyle

Head of Art
