Form

Our ethnic background describes how we think ourselves. This may be based on many things, for example, our language, culture, ancestry or family history. Ethnic background is not the same as nationality or country of birth. The information Commissioner (formerly the Data Protection Registrar) recommends that young people aged 11 years old have the opportunity to decide their own identity. Parents or those with parental responsibility are asked to support or advise those children aged over 11 in making this decision, wherever necessary. Students aged 16 or over make this decision for themselves.

Please study the list below and tick one box only to indicate the ethnic background of the student named above. It is not possible to list all ethnic groups because the list would be too long. The groups listed below reflect the main ethnic groups in Manchester. You are asked to choose the ethnic group which is closest to how you see your child/yourself.

Please also tick whether the form was filled in by a parent or the student.
