## Out of School Visits - Permission Letter

Dear Parent/Carer

At Saint Paul's we wish to give our students the best education possible and this means that from time to time we would like to take the students on visits outside the school grounds.

Examples of visits include: a trip to the theatre, competing in sports events at other schools, attending the local church for Mass or visit to a place of geographic or historical interest. The visits may be as part of the students' studies or as a reward for exceptional achievement or contribution to school life.

The visits may be within or outside the school day. On such visits, the students will be accompanied by members of staff at all times.

With this in mind, we would ask that you sign and return the permission slip at the bottom of this letter. This will allow your child to be included on any future visits without the need for you to send repeated slips every time. By signing this letter, you will be giving permission for your child to attend all out of school visits during his/her time at Saint Paul's. No further permission letters will be sent home.

You will of course continue to be notified of all out of school visits but you will be spared the inconvenience of returning a permission slip each time. Please could you complete the slip below and return to school. Should you have any questions regarding the above or any other concerns, please do not hesitate to contact school.

Thank you for your help and cooperation.

Yours sincerely

Mrs S Williams  
DEPUTY HEADTEACHER
