

# Saint Paul's Catholic High School

## Year 11 Homework Timetable

Saint Paul's Catholic High School believe that homework is a necessary part of the education our school provides. It trains our students to become independent enquirers, which develop essential skills in independent learning and better prepares our young people for their examinations. Research shows that this type of learner can go on to achieve higher grades than others.

Homework is set for all students for each weekday evening. A homework timetable takes into account the requirements of the particular subject or teaching set.
