Sex and Relationship Education

Dear Parents/Carers

At Saint Paul's we are committed to the education of the whole child (spiritual, physical, intellectual, moral, social, cultural, emotional) and we believe that sex and relationship education is an integral part of this education. Furthermore as a school we endeavour to raise pupils' self-esteem and to help them to grow in knowledge and understanding, recognising the value of all persons whilst developing students caring and sensitive attitudes.

Throughout all of our teaching we educate in a factual, ethical, moral and spiritual way, keeping Saint Paul's Catholic ethos at our centre.

Year 9 students will be studying a module entitled "Called to Love" for this half term. This is a programme of relationships education, designed for young people of secondary school age, and built on a Catholic Christian vision of love. Students will then be assessed on this in their Autumn assessment. Year 7 will also be following a modified module on "Called to Love" during the Summer term and will be assessed on this in their Summer exam.

If you have any concerns or queries about the SRE programme please do not hesitate to contact me.

Yours sincerely
