

Saint Paul's Catholic High School

Our 'Believe' Careers Curriculum 2019-2020

A STABLE CAREERS PROGRAMME that we are exceptionally proud of here at St Paul's and of the plethora of opportunities and experiences it provides to our students. We hold competitive levels (above national average) of ensuring all students go on to their chosen pathway and destinations.

EVERY Student at Saint Paul's is given multiple opportunities to meet their highest of aspirations whilst being fully supported on their journey by highly effective staff and agencies; allowing their sense of self and pride to flourish. We are happy to announce that we are currently working towards the nationally recognised IAG award for an outstanding careers provision.

The table below presents whole school opportunities and experiences with careers education, employability and further education providers across all year groups this academic year.
