October 2019

Yr 11 Revision Information Evening

Dear Parents/Carers

In order to further support your child's progress during the run up to their forthcoming examinations we are offering a Year 11 Revision Information Evening.

The evening will take place on Wednesday, 23rd October 2019 from 4.30pm to 6.00pm. It would be beneficial for students to accompany you in order for us all to make the difference together.

This evening will provide you with the opportunity to speak to a member of staff in all departments followed by a short presentation in the hall by the Heads of English, Maths, RE and Science on revision techniques. You will receive revision packs and extra support material to assist your child to achieve their target grades and to discuss your child's progress in all subjects.

The evening will follow this format:

4.30pm – 5.00pm; Market Stalls around the corridors – members of each department to hand out resources and advice for their subject area.

5:00 – Welcome by Head Teacher

5.05 – 5.10: Revision Myths and Strategies

5.10 – 5.20: Maths Presentation

5.20 – 5.30: English Presentation

5.30 – 5.40: Science Presentation

5.40 – 5.50: RE Presentation

5.50 – 5.55: Pastoral Support

If your child has been identified as a HAP an additional session will take place for parents in Room 211 starting at 5:30pm.

Your support is important in order to ensure your child is well prepared for their forthcoming exams. We look forward to seeing you at the Revision Information Evening.

Yours sincerely

Mr A Hren
Headteacher
