

# Saint Paul's Catholic High School

May 2018

Dear Year 11s,

## Good Luck

GCSEs will soon be under way, I and all the staff at Saint Paul's would like to wish you all the very best of luck.

As your Headteacher, I am incredibly proud of how hard you have worked towards your exams. Exam season can be a daunting time but you have approached your studies and revision with positivity and a desire to succeed. The focused and conscientious manner with which you have handled your mock exams earlier this year was good preparation for the real thing.

Continue with the hard work, revision and attend the extra classes offered with your teachers. Seize the opportunity in your exams and shine with all you can do. All the staff are here to support you so please do come and ask for our help if needed.

I have seen you develop into hard working, mature, enthusiastic young adults but more importantly, you are polite, caring and genuine members of society. There is no reason at all why we cannot look forward to celebrating some great successes in the summer. You deserve to achieve highly and it has been a privilege serving you as your Headteacher, even though it has only been for a short time.

Exams are a stressful time and so I urge you to work hard but please do build in breaks, don't dwell on exams that have passed, keep a positive attitude and answer every question with confidence.

Believe in yourself - we believe in you and we are proud of you. You are at the start of a thrilling new chapter of your lives. Push yourself, take on challenges and explore this wonderful world.

I and the all the staff at Saint Paul's wish you all the very best of luck.

Yours sincerely

Mr A Hren  
Headteacher
