Technology Intervention Programme

Dear Parent/Carer

Your child has been identified as currently underachieving in Technology GCSE course work. This is a matter of concern and your child has been made aware of the need to improve and address this immediately.

We remain committed to ensuring that each student achieves their full potential and it is our view that students should be given every opportunity to prepare thoroughly and effectively for the GCSE examinations. The Technology department will continue to run weekly afterschool intervention.

Day	Time	Teacher
Monday	3:05pm-4:00pm	Miss Kinsley (Room 105)

We would like your child to attend regularly to ensure that they make good progress.

Please see the tracking system below used to monitor the progress and attainment of your child currently. Each of the heading represents a specific piece of work that must be completed to the best of their ability. Red (not completed), yellow (partially completed) and green (completed)

			Analysis of context, problem and situation	Task Analysis	User profile	Investigation of work of others (range of materials)		Product Analysis (ACCESS FM)	Social and moral	Design brief (linked to research)	Design specification (specific with clear ways this can be measured throughout)		Initial ideas x 3 pages (with option from client throughout and with reference to research)	Initial development		model making and photos
			1	1	2	3		3	4	4	4		5,6,7	8,9		10
Alexis, Anna	11EL		Green	Green	Green	Green	Blue	Yellow	Red	Red	Green	Blue	Yellow	Red	Blue	Red

If you would like to discuss this matter further, please do not hesitate to contact me at school.

Thank you in advance for your support.

Yours sincerely

Miss A Kinsley
