Art Department Intervention Programme

Dear Parent/Carer

Your child has been identified as currently underachieving in Art GCSE course work and /or their recent PPE mock exam. This is a matter of concern and your child has been made aware of the need to improve and address this immediately.

We remain committed to ensuring that each student achieves their full potential and it is our view that students should be given every opportunity to prepare thoroughly and effectively for both the completion of coursework and for the GCSE examinations. To this end, the Art department will continue to run weekly art interventions. We would like your child to attend regularly to ensure that they make good progress.

The table below sets out our current provision; further support opportunities are likely to be added later in the academic year and you will be informed of these extra support sessions in due course.

Tuesday	13:10-13:50 Lunch time	R Coyle (Room 104)
