

Saint Paul's Catholic High School

Dear Parent/Carer

Homework Timetables 2018/19

Homework timetables have been given to all students and these timetables can now be found in two sections on the school website: Parents-Homework Timetables and Homework, Exams and Revision.

Generally, homework will be set for three subjects each day in Year 7 and 8 and two subjects each day in Years 9, 10 and 11. Typically, students should spend about 30 minutes on each homework set in Year 7 and 8, and between 40 minutes and an hour on each subject in Years 9, 10 and 11.

Homework set will often not be due in the next day so students should note carefully the day that homework must be completed by.

Completing homework is a vital part of a student's learning. Please take an interest in the work that your child is doing and encourage them to complete it to the best of their ability.

If you have any questions or concerns about homework please contact your child's form teacher or Progress Leader

Yours sincerely

John Barnes

Assistant Headteacher
