COURSE DESCRIPTION

GCSE Spanish is new to the option choices this year. It will broaden their understanding of the culture of communities and countries where Spanish is spoken. It encourages enjoyment of language learning and the recognition that language skills enable students to take their place in a multi-lingual global society.

This four-unit specification requires students to develop their ability to write and speak in Spanish and to understand Spanish when it is written down or spoken. This course is assessed via four equally weighted exams at the end of Year 11. It is particularly suitable for students who wish to study at a higher level.
