

Virtual Open Events

Come to our last Virtual Open Event for this year and see what we're really about, from the comfort of your own home!

Our November events are as follows:

Cheadle College

Wednesday 18th November 5.00pm - 7.00pm

🕒 Register: <https://bit.ly/353BRI5>

Marple College

Thursday 19th November 5.00pm - 7.00pm

🕒 Register: <https://bit.ly/365NNBY>

You will get the opportunity to hear from key members of the college community including students, leaders and teachers, and you will get to know much more about Cheadle & Marple College life

Application Deadline

APPLY NOW

Friday 18 December 2020

Please ensure students are aware of the application deadline.

Students can apply online you can click here [‘Apply Now’](#) or go to our website.

COVID-19 Update

In light of the new government announcement of a full national lockdown beginning at midnight on Thursday 5th November, we wanted to share our plans.

From Monday 9th December

Students will move to a timetable model where they have face to face lessons in College for one week and then move to remote learning the following week.

All students will be following the normal timetable regardless of face to face or remote learning.

This model will be in place for the next four weeks up to Monday 7th December when we aim to be back to the normal timetable.

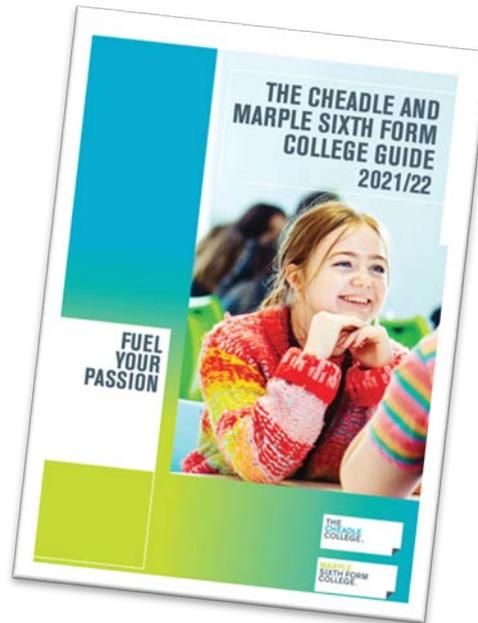

We will continue to review this on an ongoing basis. As always, the health and safety of our students and staff is central to our thinking and managing of the current situation.

Promotional Material

Prospectus & Videos

If you would like prospectuses delivered to your school, please let us know and we'll be happy to do so.

If you require any other promotional material, such as videos, then please let us know and we'll be happy to create something bespoke for you.

Monthly Applicant Reports

As the lead up to the application deadline approaches, it is important to ensure students are applying to Colleges.

A report can be generated to determine which students have applied to our College from your school.

This is efficient in being able to target the students that have not yet applied to our College.

If you would like to be added to the monthly report list, please email me:

- kate.nieroba@cmcnet.ac.uk

Interview Evening

The next stage of the application process will be an interview at College, in the New Year. We will send an email with an appointment to the student, so please tell your Year 11's to look out for it.

January Tours

We are hoping to be able to offer campus tours for small groups from January.

Obviously this will depend on current government guidelines.

If any student is unsure whether to apply without having seen the college, my advice would be to apply before the deadline just in case, then we can arrange for them to see it when this is allowed.

If any student would like a tour with their parents/carers, please ask them to email me directly on kate.nieroba@cmcnet.ac.uk to arrange.

Merger Update

The merger is taking longer than expected because of the impact of COVID-19.

Whilst the formal consultation process was completed over the Summer the due diligence process is taking more time.

The revised date for the merger is now **1 March 2021**.

Once the merger process is completed, we do not expect our current or prospective students to experience any significant changes at the College.

Cheadle and Marple Sixth Form College will continue in its current form with the same name, facilities, staff and students achieving excellent results.

The model for this merger is based on how Stockport College continues to operate within its own community following their merger with Trafford College three years ago.

In the meantime, all our staff are benefitting from collaborative working with colleagues from The Trafford College Group. I shall keep you informed on developments relating to the merger.
