

Loreto
sixth form college

e-News Letter

Hello everyone

We totally understand that as a consequence of the Government's recent announcement, some schools and students may have difficulty meeting our Friday 8th January deadline for applications.

Please be reassured that all application forms received after this date **will not be penalised in anyway**. All application forms received by post or delivered by hand (and left with our Security Staff) will be processed as normal, so please continue to get your application forms to us as and when you can. The college will be operating with a skeleton staff throughout the lockdown period, with the majority of staff working from home, so emails and phone calls will be answered.

As I mentioned in my last update, interviews will be virtual, this year and scheduled to take place during February and March. Students will be contacted directly and given instructions on what they will need to do.

It's been mentioned on numerous occasions that we are living in the strangest of times and we really are! As we continue to do the best that we can to support our young people through this, if Loreto College can provide you with any further assistance, please do let us know.

Here's wishing you all the best for 2021.
