*“At Saint Paul’s Catholic High School, we believe passionately in the power of knowledge in helping young people to lead healthy, happy, successful lives. Our curriculum aims to offer our students a rich, deep, knowledge engaged curriculum applying a combination of knowledge and skills which will allow all of our young people to feel confident when accessing all aspects of society.”*

# Core Values

Our curriculum is underpinned by our core values of: **Service, Respect, Stewardship, Compassion, and Love.** We endeavour to live out the Gospel values in our daily life and believe in developing the skills and talents of the whole child by encouraging our pupils to: BELONG to our community, BELIEVE in themselves and ACHIEVE what they deserve.

## Curriculum Review 2019-2020:

A full review of the curriculum took place during 2019-2020 in order to establish the views of all stakeholders around the curriculum offer. The review took place in support of the work that had taken place at department level in terms of sequencing, ordering of schemes of work and knowledge organisers. This is to ensure that students gain the knowledge required in a logical order.

The rationale behind the review was to establish whether the school is offering the right balance of academic and vocational courses that will support the development of the whole student moving forward into future employment. The review examined the current provision and time associated around the key stage 3 and Key Stage 4 offers. Questionnaires were prepared to gather the opinions of all stakeholders including staff questionnaire, students from year 8 to year 11, parental/guardian questionnaire and information gathered presented to the Governing body.

## Conclusion

Introduction of three years at Key Stage 3 and two years at Key Stage 4 with a variety of GCSE's and Vocational courses on offer with the EBACC at the heart of both Key Stages from 2020-21. The curriculum is designed with the belief that education is about teaching children the knowledge, skills and values they will require to effective life-long learners who are empowered to make decisions, within a complex and ever-changing world, so that they are able to positively adapt and lead successful and happy lives. We do this by providing a curriculum which teaches knowledge and skills within the context of strong shared values of mutual respect, so that across all of their learning children reflect, become increasingly resilient and develop responsibility. We firmly believe that all children, irrespective of their starting point, are entitled to a broad and ambitious curriculum.

## Context

St Pauls High School is part of the Wythenshawe Multi Academy Trust with three other primary schools. The School has an average intake with 906 pupils currently on roll recently having a number of students coming into various year groups from a local school that had to close. The intake now has slightly more girls than boys with roughly 53% girls of the whole school population with high proportions of students recorded with SEN involvement at 20.2% above National average of 10.8%. There are also a high proportion of EHCP plans within the school and 58% of the whole population qualify for the Pupil Premium Grant, which is significantly above the national average of 28%.

Wythenshawe is ranked in the 10% most deprived areas in the country. Within the school catchment area there are high levels of unemployment, in particular amongst 18-24 year olds. Unsurprisingly, this also then translates into low average income levels, poor physical and mental health and a degraded urban environment. Unfortunately, historically, many students had low aspirations and expectations for their life chances because of their background. The school has an unwavering commitment to changing this situation and in more recent years students' post 16 destinations have been much more positive and there is now a belief amongst students that they can succeed. This change in culture has not happened by accident and is the result of tireless work on curriculum development, students' wider personal development, improved teaching and learning, improved behaviour and attitudes and a relentless focus on standards and student outcomes.

# 1. Rationale

St Paul's Catholic High School aims to:

- Put students at the centre of curriculum decisions, putting their needs above that of the school.
- Provide an educational experience and accreditation to meet the needs of our students and our local area.
- Have a curriculum that is fit for purpose, offering differentiation and personalisation.
- Be a centre of excellence in learning and teaching.
- Prepare all students for the next stage of their education and for a successful adult and working life in modern society.
- First achieve and then exceed national standards in achievement, attainment and progression.
- Be committed to excellence and continuous improvement.
- Provide vocational and academic courses which meet the needs of students and prepare students with the skills required for local employment sectors.
- Nurture the talents of all and celebrate success.
- Work with Primary Schools to ease transition.
- Involve the community.
- Involve parents/carers.
- Provide equal opportunities for all students regardless of gender, aptitude or cultural, ethnic or religious background.
- Offer a broad and balanced entitlement to all students.
- Prepare students for further study, the world of work and to become active citizens.
- Develop positive personal and social values.
- Provide a variety of activities which bring about effective learning, provide appropriate challenges for all students and lead to achievement for all students.
- Provide continuity and progression from the point of transfer to the time of leaving school.
- Embed in students Fundamental British Values and Social, Moral, Spiritual and Moral purpose.

## 2. Curriculum

### A. Curriculum aims

The curriculum should inspire and challenge all learners and prepare them for the future. The school's aim is to develop a broad and balanced curriculum that builds on young people's experiences in the primary phase and that helps all young people to become successful learners, confident individuals and responsible citizens.

Specifically, the curriculum should help young people to:

- Achieve high standards and make good/excellent progress.
- Enable those not achieving age-related expectations to narrow the gap and catch up with their peers.
- Have and be able to use high quality functional skills, including key literacy, numeracy and computing skills.
- Be challenged and stretched to achieve their potential.
- Enjoy and be committed to learning, to 19 and beyond.
- Value their learning outside of the curriculum and relate to the taught curriculum.

### B. Curriculum outcomes

St Paul's Catholic High School's curriculum will:

- Lead to qualifications that hold currency for employers and for entry to higher education.
- Fulfil statutory requirements.
- Enable students to fulfil their potential.
- Meet the needs of young people of all abilities.
- Provide equal access for all students to a full range of learning experiences beyond statutory guidelines.
- Prepare students to make informed and appropriate choices at the end of ks3, ks4 and beyond.
- Help students develop lively, enquiring minds, an ability to question and argue rationally and an ability to apply themselves to tasks and physical skills.
- Include the following characteristics: breadth, balance, relevance, differentiation, progression, continuity and coherence.
- Ensure continuity and progression within the school and between phases of education, increasing students' choice during their school career.
- Foster teaching styles which will offer and encourage a variety of relevant learning opportunities.
- Help students to use language and number effectively.
- Help students develop personal moral values, respect for religious values and tolerance of other races' beliefs and ways of life.
- Help students understand the world in which they live.
- Ensure that the curriculum incorporates, and is improved and extended by, the school's specialist status
- Develop a specific curriculum for key stage 3 which will focus on the core skills of numeracy and literacy and develop the personal, learning and thinking skills of all students.
- Design a key stage 4 curriculum which meets the needs of students, parents and wider society.

### C. Roles and responsibilities

The Deputy Headteacher will ensure that:

- All statutory elements of the curriculum, and those subjects which the school chooses to offer, have aims and objectives which reflect the aims of the school and indicate how the needs of individual students will be met. This will include how the subject will be taught and assessed.
- The amount of time provided for teaching the curriculum is adequate and is reviewed by the governors' annually.
- Where appropriate, the individual needs of some students are met by permanent or temporary disapplication from the national curriculum.

- The procedures for assessment meet all legal requirements and students and their parents/carers receive information to show how much progress the students are making and what is required to help them improve.
- The governing body is fully involved in decision making processes that relate to the breadth and balance of the curriculum.
- The governing body is advised on statutory targets in order to make informed decisions.

The Headteacher and Governing Body will ensure that:

- It considers the advice of the Deputy Headteacher when approving this curriculum policy and when setting statutory and non-statutory targets.
- Progress towards annual statutory targets is monitored.
- It contributes to decision making about the curriculum.

The Assistant Headteachers will ensure that:

- They have an oversight of curriculum structure and delivery within each link department.
- Detailed and up-to-date schemes of learning are in place for the delivery of courses within each key stage.
- Schemes of learning are monitored and reviewed on a regular basis.
- Levels of attainment and rates of progression are discussed with HOD on a regular basis and that actions are taken where necessary to improve these.

Heads of Department will ensure that:

- Long term planning is in place for all courses. Such schemes of learning will be designed using the school pro-forma and will contain curriculum detail on: context, expectations, key skills, learning objectives, learning outcomes, learning activities, differentiation and resources.
- Schemes of learning encourage progression at least in line with national standards.
- There is consistency in terms of curriculum delivery. Schemes of learning should be in place and be used by all staff delivering a particular course.
- Appropriate awarding bodies and courses are selected so that they best meet the learning needs of our students.
- Where necessary an appropriate combination of qualifications or alternative qualifications can be offered which best suit the needs of learners.
- Assessment is appropriate to the course and the students following particular courses. There should be consistency of approach towards assessment.
- They keep the Senior Leadership informed of proposed changes to curriculum delivery.
- All relevant information/data is shared with the Sims team. This includes meeting deadlines related to exam entries etc.
- Student performance data is reviewed on a regular basis to ensure that any necessary changes in terms of curriculum delivery are planned and carried out in a timely fashion.
- They share best practice with other colleagues in terms of curriculum design and delivery.
- Oversee CPD needs with regard to curriculum planning and delivery within their area of responsibility.

Teaching staff and learning support staff will:

- Ensure that the school curriculum is implemented in accordance with this policy.
- Keep up to date with developments in their subjects.
- Have access to, and be able to interpret, data on each student to inform the design of the curriculum in order that it best meets the needs of each cohort of students.
- Share and exchange information about best practice amongst their colleagues in different schools and through external networks, resulting in a dynamic and relevant curriculum.
- Participate in high quality professional development, working with other teachers to develop their skills in understanding the learning needs of their students and how best to address those needs and engage them.
- Work in partnership with other agencies to provide an appropriate range of curriculum opportunities.

Students will:

- Have their individual needs addressed, both within the school and extending beyond the classroom into the family and community through a curriculum which offers breadth, support and challenge.
- Be given additional support if they start to fall behind in their learning, helping them get back on track quickly.
- Receive co-ordinated support to enable them to make the appropriate curriculum choices at key stages 4.

Parents and carers will:

- Be consulted about their children's learning and in planning their future education.
- Be confident that their child is receiving a high-quality education that is designed to meet their learning needs and which will equip them with the skills they need to thrive throughout their lives.
- Be informed about the curriculum on offer and understand the rationale behind it.
- Be informed of any decisions to change the setting of their children.

## D. Monitoring, evaluation and review

The governing body will receive an annual report from the Deputy Headteacher on:

- The standards reached in each subject compared with national and local benchmarks.
- The standards achieved at the end of each key stage considering any important variations between groups of students, subjects, courses and trends over time, compared with national and local benchmarks.
- The number of students for whom the curriculum was disapplied and the arrangements which were made.

The governing body will review this policy at least once a year and assess its implementation and effectiveness. The policy will be promoted and implemented throughout the school.

## 1. Curriculum Delivery

The school day is arranged into five 60-minute lessons and is timetabled over two weeks. Subject specialists are deployed in all areas and are supported by Teaching Assistants and Higher-Level Teaching Assistants.

### A. Teaching Groups, Class Sizes and Ability Grouping

Each year group at KS3 and KS4 is split into 9 sets, the year group is split into two equal halves which is mainly of mixed ability with some setting in place for Maths and Science subjects only.

Most sets contain approximately 23-25 students, whereas Set 9 in the ULCHN half will be smaller where possible, to consist of only 12-15 students with a targeted curriculum model. This is to allow for more personalised support for students from low prior attainment.

In order to allow students to make excellent progress, a variety of setting arrangements are arranged across subject areas. All setting arrangements are initially informed using transition information from Key Stage 2 with all students being baseline assessed on entry in CAT tests, English/Maths and Reading tests. Where Key stage 2 data is not available students will undertake baseline assessments within English, Maths, Cats Tests and Reading tests to determine a baseline bench mark.

At KS4 students are placed into ability settings for the duration of their GCSE's studies with the year groups being split between a X and Y half.

## B. Citizenship Education

Citizenship education is delivered via:

- 1 PHSE time slot over a two-week timetable.
- The RSL/Philosophy & Ethics Scheme of Learning will be applied.

## C. Relationship and Sex Education

Relationship and Sex Education at KS4 is delivered through the PHSE/Science/RE curriculum.

## D. Computing

All students in KS3 receive ICT/Computing lessons and have the opportunity to progress to Key Stage 4 options within ICT with GCSE Computer Science, Cambridge Nationals in Interactive Media and Business Studies on offer.

## E. Form Time

Students in Key Stage 3 and 4 receive 10 x 25 minutes of afternoon form time over a fortnight of Form time which is designed to help promote St Paul's Catholic High School Core values, Belong, Believe and Achieve.

Form time comprises assemblies (Houses/specific year group/students' groups) and work in either tutor groups or year groups. Form time seeks to support the citizenship education of students by addressing issues such as:

- Spiritual life.
- Attendance.
- Goal Setting and Motivation.
- Careers Information and Guidance.
- Health Well-being.
- E-Safety, Safeguarding and Child Protection.
- British Values.
- Social, Moral, Spiritual and Cultural Education.
- PIXL Edge Resources – Leadership, Organisation, Resilience, Initiative and Confidence.
- Inter-house competition.

### Year 9

| Set | English | Maths | Science | MFL | Geography | History | Computing | RE | D&T | Music | Art | Drama | PE | PHSE |
|-----|---------|-------|---------|-----|-----------|---------|-----------|----|-----|-------|-----|-------|----|------|
| S   | 7       | 7     | 7       | 4   | 3         | 3       | 1         | 5  | 3   | 1     | 3   | 1     | 4  | 1    |
| T   | 7       | 7     | 7       | 4   | 3         | 3       | 1         | 5  | 3   | 1     | 3   | 1     | 4  | 1    |
| P   | 7       | 7     | 7       | 4   | 3         | 3       | 1         | 5  | 3   | 1     | 3   | 1     | 4  | 1    |
| A   | 7       | 7     | 7       | 4   | 3         | 3       | 1         | 5  | 3   | 1     | 3   | 1     | 4  | 1    |
| U   | 7       | 7     | 7       | 4   | 3         | 3       | 1         | 5  | 3   | 1     | 3   | 1     | 4  | 1    |
| L   | 7       | 7     | 7       | 4   | 3         | 3       | 1         | 5  | 3   | 1     | 3   | 1     | 4  | 1    |
| C   | 7       | 7     | 7       | 4   | 3         | 3       | 1         | 5  | 3   | 1     | 3   | 1     | 4  | 1    |
| H   | 7       | 7     | 7       | 4   | 3         | 3       | 1         | 5  | 3   | 1     | 3   | 1     | 4  | 1    |

Across Key Stage 3, students from low prior attainment, including all SEND students receive intervention through our HUB provision for literacy and numeracy in order to close the gaps related to age-related expectations. In years 10 and 11 any students who are still at low levels of literacy and numeracy are withdrawn from an option to receive further intervention and additional course if they are identifying as not accessing the options they choose at year 9 with parents' agreement.

SEND – Due to the increase in numbers of SEND students in particular a number of students on an EHCP plan our SENDCO and Assistant Headteacher have started to adapt the curriculum to meet the needs of some students in Years 7, 8 & 9. We have made close connections with an Outstanding school who specialise in SEND to look at and review our curriculum offer to these students to ensure it is broad and balanced, but specifically addressing the needs of these students.

The SEND provision is/will be split as followed across the Key Stages:

#### Key Stage 3

- New Horizons (Primary Model) Year 7 - Max 15 students, preferably no more than 12
- New Horizons Year 8 - Max 15 students, preferably no more than 12
- New Horizons Year 9 - Max 15 students, preferably no more than 12

#### Key Stage 4

- Year 10 – SEND pathway
- Year 11 – SEND pathway

The SEND pathway will consist of 5-6 qualifications that are tailored to the needs and abilities of the students who cannot access a GCSE level qualification. These courses will include a Maths, English, RE and Science qualification as well as other life skills-based qualifications. These will be taught by a selection of teaching specialists and HLTA4 trained staff capable of running small group sessions.

The rationale for this pathway for education within the mainstream setting is due to the larger volume of students entering mainstream secondary education with lower attainment grades (a lot of which arrive working at year 1 – 3 ability levels) and with less placements available in specialist provisions, we are having to ensure we offer curriculum for all of these learners using an approach that matches their needs. It is important to note that all national curriculum is covered for these learners, however our specialist SEND teachers adapt their teaching to suit the styles required for the learners and adapt the work to the level of ability that is accessible.

The philosophy across all provisions is 'transition' if the students can access the higher qualifications then they should. As such from day 1 in year 7, we work with the students to identify areas that they can transition to and help to make these transitions work. We also ensure that as the students develop, that we reassess and make these movements ongoing throughout their academic career at St Pauls. This is the same right the way up to GCSE, whereby if a student can access even a grade 1 level GCSE, then we will ensure that they work towards that qualification. The change of qualifications for any KS4 learners, is only to ensure that we are allowing the students to access some form of qualification if they cannot attain the grade 1 on their GCSE paper.

## Appendix 3: Key Stage 4 Curriculum Model (2019-20)

### Year 10

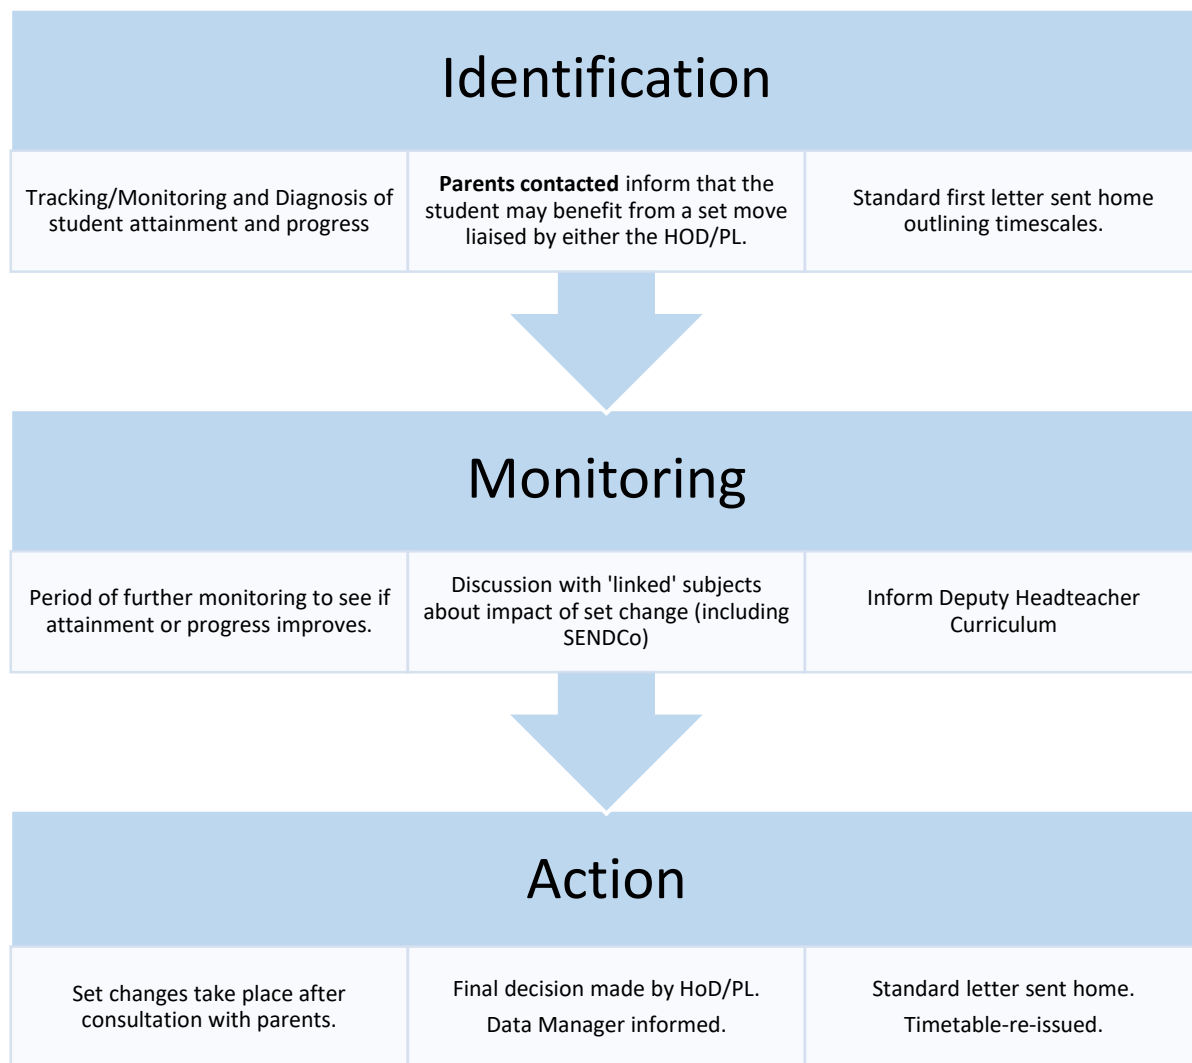

| Set | English | Maths | Science | RE | Options A | Options B | Options C | PE | PHSE |
|-----|---------|-------|---------|----|-----------|-----------|-----------|----|------|
| X1  | 8       | 8     | 8       | 5  | 6         | 6         | 6         | 2  | 1    |
| X2  | 8       | 8     | 8       | 5  | 6         | 6         | 6         | 2  | 1    |
| X3  | 8       | 8     | 8       | 5  | 6         | 6         | 6         | 2  | 1    |
| X4  | 8       | 8     | 8       | 5  | 6         | 6         | 6         | 2  | 1    |
| Y1  | 8       | 8     | 8       | 5  | 6         | 6         | 6         | 2  | 1    |
| Y2  | 8       | 8     | 8       | 5  | 6         | 6         | 6         | 2  | 1    |
| Y3  | 8       | 8     | 8       | 5  | 6         | 6         | 6         | 2  | 1    |
| Y4  | 8       | 8     | 8       | 5  | 6         | 6         | 6         | 2  | 1    |

### Year 11

| Set | English | Maths | Science | RE | Options A | Options B | Options C | PE | PHSE |
|-----|---------|-------|---------|----|-----------|-----------|-----------|----|------|
| X1  | 8       | 8     | 8       | 5  | 6         | 6         | 6         | 2  | 1    |
| X2  | 8       | 8     | 8       | 5  | 6         | 6         | 6         | 2  | 1    |
| X3  | 8       | 8     | 8       | 5  | 6         | 6         | 6         | 2  | 1    |
| X4  | 8       | 8     | 8       | 5  | 6         | 6         | 6         | 2  | 1    |
| Y1  | 8       | 8     | 8       | 5  | 6         | 6         | 6         | 2  | 1    |
| Y2  | 8       | 8     | 8       | 5  | 6         | 6         | 6         | 2  | 1    |
| Y3  | 8       | 8     | 8       | 5  | 6         | 6         | 6         | 2  | 1    |

## Appendix 4: Changes to Student Curriculum

In order to make any change to the curriculum of any student in any year group, teaching staff must follow the process below to ensure that all necessary communication has taken place:

## Appendix 5: Key stage 4 List of courses

### Curriculum

#### ***Key Stage 4 (KS4) list of courses available to pupils, including GCSEs***

#### ***Core Subjects***

| Subject   | year group | Board                   | Exam                        | Title                                   |
|-----------|------------|-------------------------|-----------------------------|---|
| English   | 10         | AQA                     | 8700 and 8702               | English Language and English Literature |
|           | 11         | AQA                     | 8700 and 8702               | English Language and English Literature |
| Maths     | 10         | AQA (Edexcel as option) | 8300                        | Mathematics                             |
|           | 11         | AQA (Edexcel as option) | 8300                        | Mathematics                             |
