HOW IT WORKS

- 1** You need to be referred by your school, social services, local authority, food bank or a charity to use our free service. We need to be contacted firstly by your referee using this **form**.
(If this is a problem, please get in touch explaining your situation)
- 2** Once a referral form has been received and accepted, have a look at our collections and you or your referee can email us with your dress/suit choices so we can check measurements and availability. Ally will then explain what happens next and request a voluntary £10 donation from your referee
- 3** Have the most amazing night ever!
- 4** Pop your item(s) in the free returns postage bag and send it back to us

(Pssst - this is all anonymous unless you say otherwise)
