*Access to all listed digital platforms is supported by our school single sign-in - students can use their normal school user name and password to log in.

Pupils and parents/carers can **check all homework set on Arbor including what subject is due on which date each week and also whether the tasks have been submitted on time**. Pupils will be awarded Achievement Points for completing homework and may receive Behaviour Points/sanctions for failure to submit. Thank you for your support in ensuring our pupils develop the independent learning skills they need to succeed in school and in life.

For more information about the rationale behind our homework provision including the evidence-based research to support our approach, please visit our website.
